

What is The Manufactory?

The Manufactory is a Makerspace, the ultimate workshop. It is chock full of a wide variety of equipment that can be used to build almost anything you can dream. For a modest membership fee you gain access to a clean, safe work environment and tools that are rarely available in one place. Our staff is eager to help you achieve your goals and we offer a complete line of classes that will teach you how to safely use the equipment.

Auto Renewal?

A minimum 3 month commitment is required. After 3 months there are no cancellation fees or long term obligations.

You must notify us a minimum of 3 days prior to your renewal date to cancel, we will not issue a refund once charges have been made. Any rented space, locker, etc. must be vacated prior to cancellation, you cannot rent spaces without an active membership.

What is a Safe Use class? This is our term for classes required to operate machine(s). Classes have the goal of teaching you how to use the equipment without hurting yourself, others or the equipment.

What are accelerated classes? These classes are only for people with experience using the equipment. They are fast paced and often cover more equipment. They concentrate on the specifics of using the machines in our space while forgoing technique. These classes are scheduled as needed and enrollment online is not available. To arrange participation, please contact our staff.

What is Skill Development? One-on-one training with one of our staff. If you want to learn more advanced techniques or need help with a specific project, our personnel will work with you to help you develop your skills in a particular area.

*Subject to availability

¹ Auto renewal memberships renew monthly with automatic payment. Minimum 3 consecutive months. No long term obligation, you may cancel at any time.

² Family member must reside in the same household or be child/grandchild under the age of 18, proof of residency required. Membership period must be same as primary member.

³ Over 18 and enrolled full time in an accredited educational institution.

⁴ 65 years of age or older.

⁵ Currently active in the armed forces.

⁶ Access to wood shop tools only, CNC router excluded.

⁷ Rollover visits are forfeit when membership is canceled.

Other restrictions may apply.

Rates subject to change.
